

Go Forth To Denmark 19

Explorer Belt and "The Vikings strike Back" Jamboree

Leaders wanted for a Jamboree & Explorer Belt in Denmark

An opportunity for any adult member to get International leader experience, including joining at the planning, training and event stages

Event dates: Denmark between 13th July and 28th July 2019. UK Training TBA

Or you can attend part-time, e.g. for a week or long weekend, or UK only. Introductory weekend with youth members The Craigs campsite, Dec 15th-16th

Where: For the Jamboree - Stevninghus Spejdercenter, Denmark ([Link here](#))

For the Explorer Belt we are based at the Jamboree and out-and-about where teams select routes in Denmark e.g. "[The Ancient Road Hærvejen](#)" ([Link here](#))

What: The Jamboree has a Viking theme. Leaders will support Scouts and Explorers in camp. We will have extra excursions to sights off-site and organise bespoke interactions with a partner Danish Scout Group.

The Explorer Belt Leaders are needed to support teams of Explorers (age 16+) and Networkers, training in the UK and on expedition in Denmark. This is a ten day expedition to experience the local culture by carrying out a set of projects.

There will also be group 'R&R' opportunities in Denmark at the end.

It would be useful if some leaders were willing to drive to, and around Denmark.

Cost : UK-based training involvement is no cost. Initial event estimate is £700 - £850 at full cost for youth, depending on final scope. However we are offering up to 50% cost reduction to leaders or a calculated part-time attendance cost.

Interested? Just get in touch and/or come to meet us at a leader launch meeting **Sunday Oct 14th 7:30pm at Laurieston Scout Hall, Falkirk.**
