With thanks to our friends at DC Thomson Ltd in Dundee, the six Scottish Units to the 2019 World Scout Jamboree have chosen their pal, Oor Wullie, to join them on this adventure of a lifetime!

As a result, Oor Wullie will feature on a range of merchandise to help support the fundraising of all the participants to this famous Scouting event.

We have already launched Oor Wullie woggles in a range of colours and these are available from the 6 Scottish Unit leaders to support their fundraising at a cost of £2.50 each.

Our badges are being produced and will be ready to purchase shortly but in the meantime, we have a fantastic range of buffs, t-shirts, tote bags and prints to purchase to support our individual and unit fundraising.

If you would like to order any of these items, please get in touch with your local WSJ participant - their name and contact details are on the front of this and they will be delighted to take your order by the 16th of May 2018 to meet the initial order!
